

OUR FUNDERS

We would like to thank the following organizations and individuals for their generous support of our work in 2013.

ORGANISATIONS

- Alfred P. Sloan Foundation
- Bill & Melinda Gates Foundation
- European Commission 7th Framework Programme
- European Commission Tempus Programme
- Koha Foundation
- Open Society Foundations
- Spider, The Swedish Program for ICT in Developing Regions
- Tides Foundation
- UNESCO
- World University Service (WUS) Austria

INDIVIDUALS

In 2013, we conducted our first crowd-sourced fundraising campaign on Global Giving. Our “Hands on Computer Classes for 450 Ghana Children” campaign raised over \$8,000 for Volta Regional Library, which takes solar-charged laptops to schools to give children practical experience of computers. The new funding enabled the library to buy seven more laptop computers and additional solar panels for the mobile library van.
