

A Gateway to accessing your digital resources

A Single Window Gateway for e-Content Access, Delivery and Analysis

EIFLGA 2017

www.remotexs.xyz

Confidential

RemoteXs Key Features !

- Serve & Access e-content from a single portal
- Zero IT infrastructure cost (IP address allocation)
- Inbuilt Authentication System (One login for all content)
- Provides tools for user services & support
- Comprehensive Administrator dashboard (Usage Statistics)
- Device Compatibility (Works on all devices)

e-Content on a single portal

Challenge: Users struggle to find content across platforms

Customised Library Portal

Federated Search Widget

Library Web OPAC

Single Place to access all EResources

The screenshot shows the Bose Institute library portal. Red arrows and boxes highlight several key features:

- Navigation Bar:** Includes 'Home', 'About Us', 'Resources', 'My Favorites', 'Tutorials', 'Bookmarklet', 'FAQ', and 'User Profile'.
- Search Bar:** A search bar labeled 'Subscribed eResources' with a 'Search' button.
- Search the Library OPAC:** A search box with dropdown menus for 'Library catalog' and 'All libraries', and a 'Search' button.
- Search Dspace:** A search box with a 'Search' button and a link to 'Advanced Search'.
- Quick Links:** A list of links including 'Databases', 'Ask a Librarian', 'Suggest an eResource for Purchase', 'Request an Article', 'Give Feedback', 'FAQ', 'Usage Policy', and 'Library Membership Form'.
- Announcements:** A section with dates and messages, such as 'Happy New Year' and 'RemoteXs Launch'.
- Footer:** Three columns with images and text: 'About the Library', 'Contact Us', and 'Library Services'.

Zero IT infrastructure cost

Challenge: Poor IT infrastructure & support

- Cloud Hosted Solution
- Dedicated IP & VPS for each Client
- No IT Skills required
- Automated Data backup

Effective User Services & Support

Challenge: Support & Manage User queries

Ask Us

What is your Question ?

Dear sir,

We are not getting access to Progress Books Platform. We understand it's subscribed by our institute and it's available to Post-Graduate Students and above. Can you please make it available on RemoteXs Portal for under-graduate students also.

Regards,
Ashwin Ranpura

Choose a Resource you are Suggesting *
Journal

Please mention the Title, Publisher Name and Reason for Purchase

Dear Librarian,

We may require to make "Advance Materials" journal available to the Students for their subject. Can you please arrange the same on our online RemoteXs Portal.

Regards,
Rahul Joshi

Springer Journals - access error

What is your query? *
Dear Sir,
We are not able to access certain articles on Springer Journals. Attached is the screenshot for the same.
Please look into the same and do the needful.

Regards,
Bill
